samarpan
laminates

Samarpan Laminates has been dedicated to manufacturing exceptional decorative laminates since our founding in 2007. Located in Morbi, the renowned ceramic hub of India, our expert team brings artful designs to life using state-of-the-art production methods. We take pride in our widespread national dealer network that makes our products accessible across the country.

True to our name, which means 'dedication' in Sanskrit, we are committed to serving our customers with care and attention to detail. We offer two ranges, Finoble and Finetouch, catering to diverse tastes and budgets without compromising on quality.

Sustainability is central to our values. We strive to operate as an ecologically and socially conscious company, from sourcing to manufacturing to delivery. Our vision is to provide opportunities for our employees to grow and thrive while crafting innovative laminates that stand the test of time. With endless dedication, creativity, and care, we bring inspired designs into spaces nationwide. Discover the Samarpan difference today.

2008

Laid foundation stone of worldclass manufacturing facility at Morbi - Gujarat

2012

achieved certification of Indian Standards Institution mark for better quality

2014

introduced new brand for 1.00 mm decorative laminates collection

2020

achieved mark of 30+ service points to strengthen PAN india network for quick services

MEMBER

2022

honored with IGBC member badge & green guard certification

SATVVA
a new era of laminates

2023

extended the production capacity by setting up new manufacturing plant "SATVVA"

As we reflect on these milestones, we celebrate not only where we've been but also the exciting potential of where we are headed. They remind us of the challenges we've overcome, the goals we've surpassed, and the continuous pursuit of excellence that propels us forward.
